3. Let's get started.

Hi there, let's get started!

Before you begin your search, we need a location to find in-network places nearby. You can use an address, city or zip code to get results.

It just takes a couple of seconds to complete, and then you can search for doctors, hospitals, specialists and more.

Choose a location and plan

4. Enter Location or Select Current Location.

Choose your search location

Enter an address, city or zip code

Choosing a different location will start a new search

5. When the pop-up window opens, enter the contract prefix **GPT** unless you live in one of the states listed below.

If you live in one of these states, please enter the associated contract prefix:

Georgia: **ZJG**

Oklahoma: **Z2K**

DC/Maryland: **ZFD**

Find your plan by prefix

The three letters at the beginning of your member ID number make up your plan prefix. Tell your three-letter prefix below and we'll find your plan for you.

State	Contract Prefix
AL	ALPMA
GA	ZJG
OK	Z2K
DC	ZFD
